Overview:

Direct Managers are the heart and soul of any organization. Because they direct, redirect, coach, instruct, and guide their employees to be motivated, productive, and successful, managers need leadership tools and comprehensive applications.

Who Should Attend:

- ✓ Managers and team leads
- ✓ Managers who would like more leadership development
- ✓ Leaders who would like to mentor and coach others, using developmental tools and processes

Dates:

January 20, February 10, March 3, March 24, April 14, May 5, and May 26, 2027
